# WHAT IS MUSIC ZONE

Music Zone is a state-of-the-art center owned by the Ras Al Khaimah Government, is a first-of-its-kind facility in the region that has already helped over 500 students discover their creativity and realize their dreams of learning to play an instrument. Construction took over two years to complete, in part due to the specialist sound-proofing treatment required to provide a high-end experience in learning music.

The institute follows all leading world curriculums and has its own curriculum, with guaranteed success in providing excellent education and opportunities to all our students in different styles of music, as well as in developing various music careers.

## WHY MUSIC ZONE

At our center, you have the flexibility to enhance your talents and abilities at your own pace.

We provide personalized one-on-one lessons with our experts to customize the learning experience based on your goals and progress. Our lessons are open to individuals of all ages and skill levels.

Whether you want to acquire new skills, learn specific music pieces for special events, enhance your public speaking abilities, explore your creative side, delve into music composition, or simply improve your overall quality of life, we offer tailored courses to meet your specific needs.

Share your aspirations and objectives with our specialists during your trial lesson.

If your goal is to pursue a formal music education, obtain certifications, pass exams at Music Zone, and showcase your skills, we follow a meticulously crafted syllabus designed to yield the best outcomes.

For those aiming for international certification, we can prepare you for ABRSM or Trinity music examinations.

# MUSIC EDUCATION

## SYLLABUS

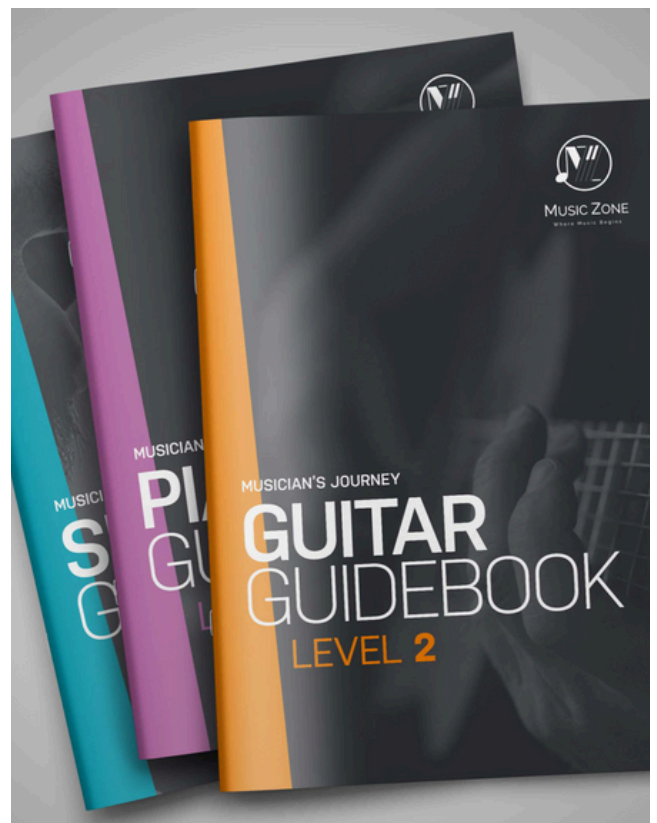

Our carefully designed syllabus incorporates the latest trends in education from esteemed global institutions, empowering students to demonstrate their abilities within the first 6 months of study. Fostering lifelong skills and encouraging creativity in every individual, our syllabus is the result of over 3 years of meticulous crafting and analysis of leading programs from world-class institutions. With levels ranging from Foundation to Level 8, students follow a meticulously planned program and progress tracker, enabling them to easily apply for ABRSM or Trinity certification upon completion of each level. Detailed information about levels, required checkpoints, and parental involvement can be found in our handbooks, offering insights into shaping children's creativity and discipline.

## MUSIC ZONE EXAM

Students are encouraged to participate in at least one level exam per year at Music Zone and the time required can vary depending on the level and requirements. For more information, check our handbook.

## CERTIFICATION

After mastering the level in the Music Zone syllabus and succeeding in the Music Zone exam, students have the opportunity to aspire to ABRSM or Trinity exams. It's essential to inform the teacher from the outset, enabling them to tailor the repertoire and requirements to the specific exam type and level.

# OUR PROGRAMS

## ONE TO ONE LESSONS

Attending a one to one lessons at Music Zone is undoubtedly the most efficient way for students to make rapid progress and benefit from a highly personalized lesson plan. Thanks to the remarkable experience that our instructors have in the field of music education, you can be assured to benefit from a instrument lessons that suits your specific needs and wishes.

## MUSICAL BEGGININGS

Musical beginnings classes are designed to introduce music to children ranging from newborns to age 5. Goal of this program is to increase children's potential to achieve in music through engaging and entertaining musical activities.

Class activities include singing and chanting, moving to music, playing assorted percussion instruments, and pattern instruction.

## CHOIR LESSONS

This choir is designed for all students. Students explore vocal technique, choral singing tone, sight-reading and performance techniques.

Students are required to attend all concerts, rehearsals, and festivals.

## BAND LESSONS

Band program is designed to provide students with a learning experience and musical growth, in a group setting. Curriculum for this program is an extension of the skills and concepts that are introduced in the individual and group classes at Music Zone.

## PERFORMANCE

At the music zone, students are inspired to perform at least once every 6 months. Those who demonstrate high levels of performance skill are chosen for big venue concerts. The first performance is a cherished and invaluable experience for students, as well as their parents.
